## **Old Business**

### ***Tree Lighting***

Town Hall inquired when the extension cords would be taken down. Tim and Gail Dumont took the lights off of the shrubs and took down the cables in the trees that were reachable. Due to the snow they were unable to take the high ones down. Discussion on how the lights were put up and if more are added in the future they should start at the top and work downwards. This will provide better access and ability to unhooking the extension cords.

A draft of a Warrant Article for Town Meeting to purchase and plant a holiday tree was passed around. Motion to accept will be made at next meeting.

## **New Business**

We will have the Easter Egg Hunt at the High School again either inside or on turf.

Will try and have free raffles for bikes. Cheryl will look into donating a bounce house also for a free raffle.

Would like to offer face painting again this year but have more on hand than last year.

Steve will contact the school about using inside if inclement weather and turf if nice out.

Cheryl will reach out to peer leaders and NHS.

Cheryl will order candy (tootsies, smarties, dum dums)

Deanne will order the eggs needed and other items.

Richard will take care of the “Guess How Many”.

Waiting to hear back from the Ashburnham Lions Club to see if they will donate.
